I also phoned his office, as a concerned constituent, and his office said they've been getting a ton of calls and that "I'm in good company". More people who call, the better.

I have called expressing my disappointment that he would take such a position without reaching out to the community and getting all sides of the story.

I called the Manhattan Beach Office and expressed my feelings.

I just spoke with Lisa Pinto, chief of staff in LA for Congressman Waxman. She said they have been getting a lot of calls; the congressman wants her to keep a tally, so keep the calls and letters going. He needs to hear from us!
